

Please do not expand this service in a way that would allow these new LPFM stations to take priority over current FM translator service. KLOVE is an FM translator service that it is the only radio station I listen to regularly. I enjoy the positive, Christian music and moral messages presented by KLOVE. This is the only Christian FM radio station with a strong enough signal to be received in my area. I strongly believe that a positive alternative for radio listeners is critical for today's youth, who are overwhelmed by the glut of immoral, violent, sarcastic, and generally negative FM radio broadcasts geared to youth, whose only goal is to make money, not enhance the lives of their listening population. Please do not silence the lone positive, Christian radio voice on our FM stations. Sincerely, Mrs. Gaye Jacob, Edmond, OK
